Dear Principal:

As the 2026-2027 school year begins, I would like to invite your school to register for the **Do The Right Thing (DTRT) Program**, a free and easy tool your school can use to recognize students for their positive choices. Whether it is turning in money found, preventing a suicide attempt, stopping bullying, or reporting weapons and dangerous activity, DTRT is a great resource to acknowledge students not only for academic achievement, but for their commitment to the safety of their peers and school.

Program highlights:

- Each month, as many as 1,000 students from Miami-Dade County are nominated for the DTRT Award based on exemplary behavior.
- Every nominated student is recognized and rewarded.
- 11 Top Winners and 2 Special Recognition Winners are honored at a special ceremony each month.
- The program is free for your school, with no cost or funding required.
- Registration takes less than 5 minutes.

Please see the attached Prize Flyer for incentive categories for students.

To participate: simply designate a counselor or other staff member to serve as your school's DTRT coordinator. This person will serve as the point of contact and encourage teachers and staff to nominate students.

I firmly believe the DTRT Program helps cultivate a school culture that prioritizes integrity, respect, and responsibility. I hope to see many of your students recognized this year.

Looking forward to a new year of honoring your students who do the right thing!

Sincerely,

Ariadna Espinosa
